## EXPERIENCE

### ANC LLC, Clackamas, OR— *Truck Driver*

April 2016 - October 2019

2 years experience driving tractor trailer mainly coast to coast averaging about 10,000 miles a month. Having the know how to fix general mechanical and body damage. Being able to handle and resolve problems on the road. Adept at navigating and efficient on time deliveries. Dependable and committed to getting each job done safely and complying with DOT  regulations and all traffic laws. Updating work log daily. Communicating consistently with warehouse, customers, dispatch and broker.

### Key Bank, Beaverton, OR— *Teller*

February 2016 - December2016

Part time float teller around the metro west areas.
Basic teller work and customer service
High paced environment
Large amounts of cash handling
Doing research/maintenance on accounts and updating profiles.
Meeting referral goals every month.

### Wells Fargo, Beaverton, OR— *Home Equity Phone Banker*

March 2015 - October 2015

Call center  position taking back to back calls from customers regarding their home equity loans or lines as well as personal loans. Following strict guidelines/scripts and disclosures. General tasks include making payments, sending checks, help understand and explain how interest occurs and other concerns. Do research/editing on accounts and contracts, having to de-escalate frustrated customers and end the call having fixed their situation and making them feel better and assisted. Expected to have %20 of daily calls to be warm transfers or referrals to sales by offering a product or service that will benefit the customer.
